

ZAGGTM foam

Gadget cleaning foam

Directions For Use:

- ▲ Shake can well and apply a light coat of ZAGGfoam to the surface of your gadget.
- ▲ Spray from a distance of 6" to 8" from the surface.
- ▲ Be careful not to overexpose your gadget to ZAGGfoam.
- ▲ Avoid ports and openings.

Gently wipe your gadget with the micro-fiber cloth until dry. Do not allow ZAGGfoam to sit on the surface for any length of time.

Warnings:

- ▲ Do not ingest ZAGGfoam. If swallowed, call Poison Control.
- ▲ Avoid contact with eyes and prolonged contact with skin.
- ▲ Ensure the micro-fiber cloth is clean and free of debris.
- ▲ Power off your electrical gadgets prior to using ZAGGfoam.
- ▲ Do not apply ZAGGfoam to hot surfaces.
